Organizing Seminar Topics

Schedule a seminar for your group on any organizing topic. Choose from the seminars listed below or request a customized presentation tailored to your group's specific needs. Seminars are 1 - 2 hours long and offer practical tips, useful strategies, and skills you can apply in everyday life.

Understanding Hoarding in the Aging Population: Challenges and Communication Strategies

Explore the complexities of hoarding among older adults, including common misconceptions, safety concerns, and the emotional factors behind the behavior. Learn how to communicate with compassion, avoid common mistakes, and provide effective support to individuals experiencing hoarding challenges.

Hoarding – A Hidden Problem - Types of Disorganization & Complexities of Hoarding

Not all clutter is the same. Learn the differences between everyday clutter, chronic disorganization, and hoarding, and explore some of the underlying reasons these challenges develop. Gain a better understanding of the complexities of hoarding and how it affects individuals, their homes, and their lives.

Family & Friends – Hoarding Explained: Understanding Hoarding and How Not to Deal with It

Hoarding is a complex issue that can be difficult for family and friends to understand. Learn what hoarding is—and isn't, why traditional approaches often don't work, and how to offer compassionate, effective support. Discover ways to encourage positive change while maintaining relationships and treating your loved one with dignity and respect.

Letting Go of Life's Treasures – Tips and Tools for Successful Purging & Disposal

Downsizing can feel overwhelming, especially when belongings hold a lifetime of memories. Learn when and how to get started, set realistic goals, prioritize what matters most, and make confident decisions about what to keep and what to let go. Discover practical strategies to simplify the process and prepare for your next chapter with less stress.

Organizing Basics – The Organizing Process & Organizing Mistakes

Learn the fundamentals of getting organized, from understanding the organizing process to recognizing common mistakes that can get in your way. Discover practical tips to create systems that work, avoid costly habits, and save time, money, and stress.

Organizing Your Estate & Life

Being prepared for an emergency can make all the difference for you and your loved ones. Learn how to organize important information, contacts, household records, and essential documents so they're easy to find when needed. Create a plan that brings peace of mind, reduces stress, and helps your family know where to turn when it matters most.

Organizing Your Life – Paper & Time Management Basics

Feeling overwhelmed by paperwork and short on time? Learn practical organizing strategies to manage paper clutter, prioritize your activities, and make the most of your day. Discover how simple systems can save you time and money, reduce stress, and help you feel more in control of your life.

Organizing Your Home – Room by Room

Discover practical tips and simple strategies to bring order to every room in your home. From kitchens and closets to bedrooms, bathrooms, and living spaces, you'll learn how to reduce clutter, make the most of your space, and create organizing systems that fit your everyday life.

Tame the Paper Trail: Simple Systems for an Organized Home

Practical strategies for managing incoming paper, creating systems that work, and finding what you need when you need it.
